Fellow Eagle Scout,

Congratulations on completing your final step and becoming an Eagle Scout! Take a moment and enjoy this amazing achievement, plan your Eagle Court of Honor, and celebrate.

When you head to college, I encourage you to look for a chapter of Alpha Phi Omega. Today, Alpha Phi Omega is a national, co-educational service fraternity – college students gathered together in an organization based on fraternalism and founded on the principles of the Boy Scouts of America. Its purpose is to develop leadership, promote friendship and provide service to humanity. Sounds familiar, that is because the fraternity is based on the principle of the scout oath & Law.

I invite you to join the National Eagle Scouts Association which helps Eagle Scouts stay in touch with Scouting and hear positive stories about how Scouting transforms the lives of youth through developing their leadership skills, character, citizenship, and physical fitness. NESAs is also an outlet for alumni to network and collaborate with one another, which may include establishing business connections and participating in service to the BSA or other organizations.

It is your turn to give back to the scouting program and support future Eagle Scouts by helping them along their Trail to Eagle.
